

CRRC 2017 Member Meeting Sponsorship Opportunities

JUNE 14, 2017 – LAS VEGAS, NV

The Annual Membership Meeting is a yearly tradition where CRRC members come together to hear about the latest industry research and organization activities; provide input on the organization's strategic direction and cast votes for the Board of Directors; and socialize with fellow members and staff. The CRRC hosts a series of guest presenters and provides technical, program, and administrative updates. Members can highlight their company, express support for the CRRC, and help expand the event's offerings through sponsorship. Please return this form to emily@coolroofs.org by **Friday, March 31**.
