2022 CRRC Annual General Membership Meeting

JUNE 15, 2022 – LAS VEGAS, NEVADA

The Annual General Membership Meeting (AGM) is a yearly tradition where CRRC members come together to hear about the latest industry research and organization activities; provide input on the organization’s strategic direction; participate in the Board of Directors Election; and socialize with fellow members and staff. The CRRC also hosts a series of guest speaker presentations and provides technical, program, and administrative updates.

Through event sponsorship, members can highlight their company, express support for the CRRC, and help expand the event’s offerings.
