TELEPHONE:

3. **Substantiating Statements:** Please provide a clear statement of intent and purpose by stating why the proposed changes are necessary and beneficial (e.g., to add or upgrade requirements, remove outdated material, provide new options, remove inadequate provisions, etc.). Substantiation is to be based on technical information relevant to items #1 and #2 above.

4. **Bibliography:** When appropriate, provide a list of references used to substantiate the comment. If no references are cited in item #3 above, enter “none.”

5. **Attachments:** List any attachments below. Please supply graphics (if any) in PDF, PNG, or JPG format, at high resolution (300 - 600 DPI). If there are no attachments, enter “none.”

### **COPYRIGHT RELEASE**

Notwithstanding such retention of copyright, I hereby grant the Cool Roof Rating Council a nonexclusive, world-wide, royalty-free, irrevocable and perpetual right and license to reproduce, distribute, publicly display and publicly perform all such submitted material submitted by me in any Cool Roof Rating Council publication or other work in any medium in which such material is used or adapted for use, and to allow others to do the same. Reproduction of any materials that I submit to a Cool Roof Rating Council publication or other work gives me no rights in such publication or other work, and I hereby waive any such rights or claims that I may have. Furthermore, any such material submitted by me may be revised, changed, altered or amended in any way. To the extent that any such revisions, changes, alterations or amendments result in one or more derivative works, I recognize that the Cool Roof Rating Council shall own such derivative works as the author, and I hereby waive and assign to the Cool Roof Rating Council any rights or claims that I may have to such derivative works. I further represent that use of the materials submitted by me to the Cool Roof Rating Council will not result in the infringement of any copyright rights of any third party.
