Standards Proposal Submission Form	Page 1 of 4	June 5, 2019	Approved by CRRC Standards Committee
------------------------------------	-------------	--------------	---

Instructions: Please use this form to submit a proposal for the Cool Roof Rating Council (CRRC) to consider one of the following: 1) development of a new CRRC standard, 2) revisions to an existing CRRC standard, or 3) reaffirmation of an existing CRRC standard. If proposing revisions to an existing CRRC standard as part of the CRRC’s public comment period for an existing standard the CRRC is currently updating, please use the CRRC Public Comment Form available at <https://coolroofs.org/product-rating/ansi-crrc-s100>.

Please mark one of the following:

I am proposing that the CRRC develop a new standard

I am proposing revisions to an existing CRRC standard

I am proposing that an existing CRRC standard (e.g., S100) is reaffirmed

Please describe the nature of your proposal. For example, if you are proposing revisions to an existing CRRC standard, indicate which standard you propose changes to and describe what you propose to change about the standard. If you are proposing a new standard, please describe the scope of the proposed standard.

Please provide a provide a clear statement of intent and purpose supporting your proposal. Your substantiation must be based on relevant technical information.
